

# TAKE YOUR SHOT!

## How to Grow Your Practice While Retaining Your Team in This Ever-Changing World

### Learning Objectives:

- Learn the top 10 sources of growth in your practice AND which ones are the quickest and easiest to improve
- Learn how to transform your vision into actions that simultaneously motivate your team AND drive GROWTH
- Learn why attracting more new patients isn't always your best strategy for growth
- Learn words and phrases you should NOT say that undermine your goal of patients accepting the treatment they need
- Learn a five step, science-based staff retention strategy based on research into WHY people stay in their jobs
- Learn how to have highly effective, performance-focused conversations with your team that result in them feeling valued and heard
- Learn and apply the neuroscience-based leadership model that explains how to successfully lead your team through change and growth

### Suggested Audience:

Professionals Interested in Pursuing Excellence

### Suggested Format:

Full or Partial Day; Lecture, Workshop, Keynote
